

REMOTE INTERNSHIPS

WITH DEVELOPMENT TOGETHER

What will I do?

- Intern remotely on either a 100, 150 or 225 hour program with one of our Not-For-Profit Partners on an **Internship or Clinical** placement
- Choose from either a 4 or 6 week intensive program (8 hours/5 days a week) OR a 12 week program (8 hours/1 day a week)
- Work in a small group of 4
- Have the opportunity to:
 - Gain industry knowledge
 - Participate in a specific project within your field of study
 - Deliver training and development activities

What Support Will I Receive?

You will be remotely supported by an experienced Professional, who will provide technical guidance and logistical support. They will also act as a liaison between you and our host partners.

Who Can Participate?

Students who have completed at least the 1st year of their studies in Agriculture, Business/Commerce, Education, Engineering, Environment, IT, Marketing. Health students must have completed at least their 2nd year of studies.

Brief Program Itinerary:

- **Week 1:** Program Briefing, Learning Outcomes and Virtual Orientation
- **Week 2 to End:** Development of Project Materials, Delivery of Content, Project Work, Case Studies, Team Meetings and Reporting
- **Final Week:** Project Wrap-Up, Reporting, Feedback and Development Session, Group Debrief, Project Submissions.

Funding:

Please check with your university to see if you're eligible to receive funding or a scholarship.

How do I Apply?

Express your interest in our program by emailing admin@developmenttogether.com with your *Name, Name of your University, Course of study* and *Contact number*. We will then be in touch with further information.
